

# **Northern Star Scouting Silver Beaver Award Recipients**

**1931-2023**  
(Since Inception)

The Silver Beaver Award is the highest recognition a local council can present to a volunteer Scouter. The award is given to registered Scouters of exceptional character upon the recommendation of the local council, and approval of the National Council, Boy Scouts of America, for noteworthy service.

Each council is authorized to present one award per sixty registered Scouting units.

We congratulate the 11 members of the “Class of 2023” as they are added to the roster of 1,789 men and women who have kept Northern Star Scouting strong for 113 years.

Exceptional/

*The original  
pocket ribbon  
(1931 only).*

The Silver Beaver is an award given to those who deliver the Scouting program and perform community service through hard work, self-sacrifice, dedication, and many years of service. It is only given to those who do not actively seek it.

In 1931, the first year the awards were presented, there was a special onetime provision that allowed the presentation of twice the number of Silver Beavers that would normally be awarded in any given local Council. This was permitted because it was the first year of the program and there were many deserving individuals

Using the United States Military as the model, awards made of silver are the highest awards in the BSA. At first, the awards were on a pocket ribbon like an Eagle Scout medal. Due to the weight of the medallion, however, they were placed on neck ribbons in 1932 and remain so to this day.

A blue-white-blue ribbon bar was introduced in 1934 for informal uniform wear. In 1946, ribbon bars were replaced by the current knot insignia.

The Silver Beaver was initially awarded only to men. The Silver Fawn Award, an equivalent for women, was awarded

starting in 1971. It used the same knot insignia, but on a blue background as women were mostly involved in Cub Scouting during this period. The Silver Fawn was discontinued and the Silver Beaver began to be awarded to women in

1974. 24 of our Scouters received the Silver Fawn Award, as noted herein.

A total of 2,455 Silver Fawns were awarded across the Nation to outstanding women for support of Cub Scouting before the award was discontinued. Those women who had received a Silver Fawn award were given the option to turn in their Silver Fawn for a Silver Beaver.
